

## Animated demonstrations

If you need help figuring out how to do things on the PPSR website, our animated tutorials will help you on your way. Simply select the image for the demonstration you want to view and a short movie will play in your web browser.

These are the first of many. You can look forward to a comprehensive selection of tutorial demonstrations coming your way in the near future.

All clips will open in a new window, and require [Adobe Flash Player](#) version 7 or higher.

## Registration demonstrations
