

What's new

Find out what is new at the Personal Property Securities Register.

[Improved security for credit card transactions](#)

The Personal Property Securities Register has introduced a new credit card payment solution. The payment process remains similar to the former process but now has the added benefits of increased security and improved itemised invoicing. All credit card transactions will be processed by our new payment solution provider Direct Payment Solutions Limited.

[Standard set for Monday night maintenance outages](#)

The length and timing of planned weekly maintenance outages has been set to fall within a standard 2 hours between 9:00 PM and 11:00 PM on Monday evenings.

[Need help using TXTB4UBUY?](#)

There are now two new animated demonstrations designed to help you use the PPSR's TXTB4UBUY service.

[Important changes to the way you do business with the Companies Office](#)

The Companies Office is committed to providing the New Zealand business community with sustainable, efficient and cost effective company administration. As part of this commitment, the Companies Office has introduced changes to the way that you do business with us.

['Secured Party Tools' replaces 'Miscellaneous'](#)

Are you an existing user of the PPSR online services?

[New Societies and Trusts website is live](#)

The new look Societies and Trusts website was released on 7th October 2008. The website will add value to the New Zealand business community by better serving the voluntary sector and providing clear and up-to-date information to all.
