[Citizens Advice Bureaux](#)

The New Zealand Association of Citizens Advice Bureaux is an independent community organisation which works to empower people through the promotion of knowledge and understanding. One of the many areas in which we can help you is in regard to consumer issues.

[Coalition of Community Law Centres Aotearoa Inc.](#)

Community law centres provide a range of community legal services including free legal advice, legal assistance and representation, legal information, legal education and law reform activities. Their website offers legal information, factsheets and guides, and contact details for local community law centres throughout Aotearoa. Community law centres are able to provide you with advice on any PPSR related issues.
