

View your registered financing statements for FREE

Use the View Financing Statement Details option to see detailed information about a specific financing statement, including information that is not publicly available using the PPSR Search options, e.g. The Debtor PIN and the name of the user that created or changed the information in the financing statement.

You can also request a copy of the verification statement - FREE.

The steps to view financing statement details

1. Log on using your User ID and password.
2. From the PPSR Registration menu choose Secured Parties – View Financing Statement Details.
3. Enter the Financing Statement Registration Number and PIN, and click Continue.
4. Enter the Secured Party Group ID and password and click Continue.
5. Review the financing statement onscreen. You will automatically see the current version of the financing statement but you can also choose to view the History.
6. If you choose Deliver Verification Statement Copy a copy of the verification statement will be emailed to the current Secured Party Group members as well as the user who requested the statement.

Notes

Your User ID is a nine-digit number and your password is seven alpha-numeric characters and is case sensitive.

If you only register for one Secured Party Group add the Secured Party Group ID and password to your User ID and these details will be automatically entered for you each time. To set the default Secured Party Group, logon and choose the User Administration menu option then select User Details – Modify User and add the details under Default PPSR Secured Party Group.

- [View registered financing statement details now \(You will need to log on first\).](#)
